

**BELT TECH  
INDUSTRIAL**

# AGGREGATE INDUSTRY PRODUCTS & SERVICES

## CRUSHING EQUIPMENT

- » Jaw crushers
- » Cone crushers
- » Horizontal shaft impactors
- » Vertical shaft impactors
- » Automation
- » Replacement parts

## VIBRATORY EQUIPMENT

- » Horizontal screens
- » Inclined screens
- » Scalping screens
- » Wet and dry screens
- » Vibrating grizzly feeders
- » Replacement Parts

## WET PROCESSING EQUIPMENT

- » Sand production plants
- » Fines recovery plants
- » Classifying tanks
- » Density sizers
- » Hydrocyclones
- » Fine material screws
- » Coarse material screws
- » Low water washers
- » Dewatering screens
- » Blade mills
- » Log washers
- » Attrition mills
- » Ready mix truck washout systems
- » Replacement Parts

## MODULAR PLATFORMS

- » Pre-engineered plants
- » Swift commissioning
- » Optimized freight packaging
- » Scalable designs

## CONSTRUCTION MANAGEMENT

- » Project management
- » Engineering
- » Manufacturing
- » Field services

# PRODUCTS & SERVICES

## CONVEYING EQUIPMENT

- » Portable transfer conveyors
- » Modular overland conveyors
- » Engineered overland conveyors
- » Portable overland conveyors
- » Telescoping radial stackers
- » Portable stacking conveyors
- » Stationary stacking conveyors
- » In-Plant conveyors
- » Tripper conveyors
- » Feed conveyors
- » Truck unloaders
- » Tunnel reclaim systems
- » Dozer traps
- » Mobile ship or barge loaders
- » Stationary ship or barge loaders
- » Barge-mounted unloaders

## AFTERMARKET SUPPORT

- » On-site support
- » Phone support
- » Training
- » Inspection
- » Maintenance
- » Diagnostics
- » Optimization
- » Rebuilds
- » Repair
- » Retrofit parts
- » Owner's manuals
- » Warranty

## CONVEYING PARTS

- » Steel roll idlers
- » Rubber tire idlers
- » Vulcanized rubber rolls
- » High density polyethylene rolls
- » Urethane idler rolls
- » Beater bars
- » Retrofit replacement rolls
- » Wing pulleys
- » Drum pulleys
- » Drive packages
- » Bearings
- » Motors
- » Gearing
- » Shafting
- » Couplings
- » Bushings
- » Mechanical take-ups
- » Gravity take-ups
- » Belt scrapers
- » Retrofit replacement blades
- » Impact beds
- » Transition beds
- » Sealing systems
- » Flexible guard panels
- » Steel guard panels
- » Return roll guards
- » Safety handrail
- » Emergency stop kits
- » Belt covers
- » Belt scales
- » Materials sensors
- » Speed sensors
- » Automatic greasers
- » Brackets
- » Belting

## PORTABLE PLANTS

- » Jaws, cones, HSI's and VSI's
- » Competitor gear mounting
- » Rear feed rear discharge crushing
- » Rear feed front discharge crushing
- » Rear discharge crushing
- » Rear feed side discharge crushing
- » Side feed rear discharge crushing
- » Closed circuit crushing/screening
- » Horizontal and inclined screening
- » Overhead feed conveyor screening
- » Feeder screening
- » Tandem screening
- » Fine material washing
- » Fine washing and dewatering
- » Wheel-mounted feed hoppers
- » Track-mounted feed hoppers
- » Skid-mounted feed hoppers
- » Slurry hoppers
- » Pugmill mixer
